CLEAN & SHEEN™

High-Performance Foaming Wash & Wax for Cars & Trucks

for Brush & Manual Car Washing

The professional's choice for washing all types of automobiles by hand or with foaming applicators. Combines a premium quality car soap with a bead wax. Provides abundant, long-lasting foam that effectively cuts through road film and accumulated dirt. Leaves a wax coating on the vehicle which helps repel water, dust and soils. Designed for professional use in auto dealerships, detail shops, car washes and other auto service facilities. pH balanced for added mildness to the hands. Will not attack aluminum or glass. Rinses thoroughly. Pleasantly scented.

Directions for Use

For brush or manual washing, dilute approximately 1/4-1/2 ounce of this product per gallon of warm water. Heavier soil buildup may require up to 2 ounces per gallon. To maximize sudsing, agitate water well with hand or spray water from hose. Apply foaming solution liberally to top of vehicle first, then work downwards. Agitate to improve soil removal, then rinse surfaces completely. Avoid washing vehicle in direct sunlight.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Blue Liquid
Odor	Characteristic
pH (1% solution, 22°C)	<8.0
Foaming	Very High
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.48±0.1
Stability Range	50-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content	None

Product Number

82505
82515
82530
82555

Packaging

5 gal. pail
15 gal. drum
30 gal. drum
55 gal. drum
