Neutral Cleaner

pH Neutral Non-Dulling Multi-Purpose Cleaner

A professional quality neutral detergent for removing built-up dirt and grime from non-porous floors, walls and other hard surfaces. Recommended where effective soil removal is needed without dulling or stripping wax. Contains no harmful alkalis, solvents or other ingredients which might remove finish. pH below 9.0 in solution. Effective on all types of resilient flooring. May be used with a mop or with a floor machine. Also excellent for general purpose cleaning of countertops, backsplashes and most other hard surfaces. An essential product for a quality floor maintenance program. Fresh lemon scent.

Directions for Use

Mop and Bucket Cleaning: Dilute 2-4 ounces of this product per gallon of water (64:1-32:1). Apply solution with a clean mop, then agitate to facilitate soil penetration and removal. Allow several minutes contact time, then rinse completely with clean water. Allow floor to dry before use. Spray buff as needed to restore floor's gloss. Do not overuse product, as dulling of finish may result.

Automatic Floor Scrubbers: Dilute 1-2 ounces of this product per gallon of hot water (128:1-64:1) directly into the machine's solution tank. Scrub and rinse floor as recommended by machine manufacturer.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.
