7 ControlChem™ Solution Management

Technical Data Sheet

CROWN™ Crown Chemical, Inc.

Heavy Duty Degreaser

Industrial Strength Foaming Alkaline Degreaser

A super-strength degreaser for the toughest institutional and industrial cleaning requirements. Ideal for use on greasy floors, walls, equipment, machinery and other non-porous hard surfaces. Formulated with powerful solvents, surfactants and alkalis for rapid and complete penetration and emulsification of grease, oil and soils. Designed for superb performance where demanding maintenance requirements are encountered. Leaves surfaces thoroughly clean. Non-ammoniated. Highly dilutable and economical to use.

Directions for Use

Spray Cleaning: Dilute this product at the rate of 2-4 ounces per gallon of water (64:1-32:1) into a properly labeled spray bottle. Spray solution onto surface to be cleaned. Avoid contact with glass or aluminum. Agitate with a rag or sponge to remove soils, then rinse with clean water.

Mop and Bucket Cleaning: Sweep floor area to be cleaned. Dilute at 2-4 ounces per gallon of water (64:1-32:1) into mop bucket. Apply solution with a clean mop, then scrub as needed with mop or a deck brush to remove grease and soils. Allow several minutes contact time to allow detergent to penetrate and dissolve soils. Rinse with clean water to remove any chemical residue, using a mop, sponge or rag to absorb excess liquid. For spot removal or very heavy grease or soil accumulations, use at full strength.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

- ***Powerful Solvent-Alkali Formula for Superior Results***
- ***Emulsifies the Toughest Grease and Soils On Contact***
- ***Highly Concentrated for Economical Use Cost***
- ***Designed for Demanding Maintenance Requirements***

Technical Specifications

Appearance	Yellow Liquid
Odor	Characteristic
pH (1% solution, 22°C)	<12.0
Foaming	High
Flash Point	None
Density (lbs/gal, 22°C)	9.10 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na_2O)	High
Solubility (in H_2O, 22°C)	100%
Phosphate Content (as P)	None

Product Number	Packaging
CC0764	4x64 oz. case*
CC0741	4x1 gal. case
CC07115	1x1½ gal. case*

*For closed-loop dispensing systems
