

# DERMAFOAM™

## Creamy Foam Lotion Hand Soap with Emollients

A premium quality lathering hand soap for use in industrial and institutional applications. Produces handfuls of rich, creamy foam for a luxurious hand washing experience. Formulated with a cosmetic-grade surfactant system for thorough cleansing while emollients and humectants assure exceptional mildness. Fortified with antibacterial agent PCMX. Leaves skin velvety smooth and soft. Pleasant almond fragrance.

### Directions for Use

This product is designed for use in the DermaFoam System Dispenser. Apply a sufficient amount of this product directly to hands without pre-wetting. Scrub hands and wrists well to remove grime, especially under fingernails and cuticles. Continue scrubbing for at least 15 seconds, then rinse completely. Repeat as necessary.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from [www.crown-chem.com](http://www.crown-chem.com).
