

# ECO™ FLOOR & WALL

## All Purpose Floor & Hard Surface Cleaner-Degreaser

A professional quality powdered detergent for cleaning greasy, oily buildup on floors. Designed especially for use in institutional kitchens, restaurants and other foodservice operations where oil buildup on floors can lead to slip and fall incidents. Also suitable for light to medium duty use in factories, auto service facilities, etc. Offers excellent detergency fats, oils and greasy soil buildup. Dissolves completely without leaving white residue. Fresh lemon fragrance.

### Directions for Use

For mop and bucket applications, dilute 2-4 ounces of this product per gallon of hot water. Agitate solution to dissolve powder completely. Apply solution to floor or surface with a mop or sponge. Scrub surface with a deck brush to improve soil removal, then rinse completely with clean water. Allow floor to dry before use.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from [www.crown-chem.com](http://www.crown-chem.com).

### Technical Specifications

Appearance	Yellow Powder
Odor	Lemon
pH (1% solution, 22°C)	<11.5
Foaming	Moderate
Flash Point	N/A
