FabriChem™

Next Generation Laundry System

Suds Extra

Multi-Enzyme Soil Emulsifier

Super-concentrated laundry detergent for outstanding results in institutional and industrial on-premise laundries. Contains a synergistic surfactant system which penetrates and dissolves tough soils and prevents redeposition. Multi-enzyme formula for outstanding removal of protein, starch, and oil-based stains. Safe on most laundry washable fabrics including cotton and synthetics. Excellent for prespotting or presoaking to improve removal of embedded stains. Not recommended for use on wool, silk, or other delicate fabrics. Citrus fragrance.

Directions for Use: Pre-sort laundry before washing. Presoak and/or treat fabric with stain removers as needed. Your Service Representative will determine the proper amount of this product to be used based on soil level, fabric type, load size, water conditions and other variables. In general, use 1 to 2 ounces of this product per 50 lbs. of load size for normal soil levels and conditions. Use of excessive detergent may cause poor rinsing and oversudsing. For best results, use hot or warm water.

- ***The most concentrated laundry chemistry in the industry ... one 1½ gal. bottle = approx. one 5 gal. pail of standard products***
- ***Closed-loop dispensing virtually eliminates chemical contact and ensures consistent product delivery and results***
- ***Reduces plastic waste disposal by over 600% ... Far less environmental impact and carbon footprint***
- ***Formulated to deliver outstanding results and lower costs in hospitality, healthcare and other on-premise laundries***
- ***Improved fabric cleanliness, brightness, softness and stain removal for fewer rewash loads***
- ***Smaller containers with convenient grip that hangs on a wall and are easier to handle***

TECHNICAL SPECIFICATIONS

Appearance	Blue Liquid
Odor	Fresh
pH (1% solution, 72°F)	<10.0
Foaming	High
Flash Point	>200°F
Bulk Density (lbs/gal, 72°F)	9.05±0.1
Stability Range	40 - 100°F
Free Alkalinity (as Na_2O)	None
Solubility (in H_2O, 72°F)	100%
Phosphate Content (as P)	None
