

FRESH CHOICE™

Fruit and Vegetable Wash

This concentrated product removes soil, wax, pesticides and agricultural chemicals from most types of fruits and vegetables. Formulated with ingredients which have been listed by the U.S. FDA as "Generally Recognized as Safe" (GRAS) for use on food contact surfaces, or which are present in such small quantities as to be considered GRAS due to *de minimis* exposure. Safe and non-toxic to use. Improves taste and freshness by removing contaminants and soils. Leaves behind no harmful chemical residues. An essential product for restaurants, grocery stores, cafeterias and other quality foodservice operations.

Directions for Use

Not recommended for use on mushrooms or other highly porous vegetables.

For Spray Cleaning: Dilute this product at ¼ ounce per gallon of cold water. Rinse fruits and vegetables under the cleaning solution as it is being sprayed through a dispenser. Consult your Service Representative for equipment information and setup. Continue rinsing for 30 seconds. No subsequent water rinsing is required.

For Soak Tank or Sink Cleaning: Dilute 1 ounce of this product per 5 gallons of cold water. Add fruits and vegetables to the tank or sink and allow to soak for 2-4 minutes. Rinse thoroughly prior to processing or other use with clean water. Do not reuse solution for another batch of fruits and vegetables. Dispose of used solution and prepare a fresh solution for each batch to be cleaned.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Colorless Liquid
Odor	Characteristic
pH (1% solution, 22°C)	<5.0
Foaming	Low
Flash Point	None
Bulk Density (lbs/gal, 22°C)	9.61 ±0.1
Stability Range	50-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

19121

Packaging

2x1 gal. case
