

FRESH 'N LAVENDER™

Multi-Purpose Hard Surface Cleaner & Deodorizer

An institutional strength multi-purpose cleaner combined with a fresh lavender room deodorizer. Provides exceptional cleaning and deodorizing performance in a single product. Ideal for kitchens, bathrooms, classrooms, locker rooms, shower rooms, taverns, pet areas, entry foyers, and many other institutional and industrial areas. May be used in mop and bucket applications, hand-held sprayers, floor machines, or as an additive in carpet extraction units. Leaves surfaces thoroughly clean with a pleasant, lingering lavender odor. Biodegradable and non-toxic.

Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. This product should be diluted at the rate of 2-6 ounces per gallon of hot water depending on the soil level. Apply solution to surface liberally with a mop, sponge or rag. Allow several minutes contact time to permit detergent to penetrate and dissolve soils. Agitate as needed to facilitate soil removal. Rinse completely with clean water to remove any chemical residue. For spot removal or very heavy grease or soil accumulations, use at full strength.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.
