GLIMMER™

High-Foaming Detergent for Manual Car and Truck Washing for Brush and Hand Car Washing

A premium quality detergent for manually washing cars, trucks, buses and other types of automobiles. Contains a highly concentrated blend of powerful surfactants which produce abundant, long-lasting suds that cut through grease, grime and road soils. Dilutes quickly in hot or warm water. Rinses freely, leaving no soapy residue. Excellent for brush and bucket cleaning, or for tunnel car washes. Gentle to the skin and safe on all vehicle surfaces. Economical to use.

Directions for Use

Dilute approximately 2-8 ounces of this product per pail of warm water. To maximize sudsing, pour this product into running water, or agitate water with hand. For best result, use softened water. Do not allow solutions to dry on vehicle surface.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Blue Powder
Odor	Characteristic
pH (1% solution, 22°C)	<9.0
Foaming	Very High
Flash Point	N/A
Bulk Density (lbs/gal, 22°C)	8.00±0.1
Stability Range	N/A
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content	None

Product Number

82850

82801

Packaging

50 lb. pail

100 lb. drum
