

HD CLEANER-DEGREASER CONCENTRATE

High Strength Industrial Cleaner-Degreaser for Hard Surfaces

A high performance cleaner-degreaser for use on floors, walls, equipment, machinery and other non-porous hard surfaces. Fortified with a synergistic combination of solvents, surfactants and alkalis. Penetrates and emulsifies grease, oil and soils rapidly and completely. Formulated for a wide range of applications. Leaves surfaces thoroughly clean. Highly dilutable and economical to use. Pleasant citrus fragrance.

Directions for Use

Spray Cleaning: Dilute this product at the rate of 4 ounces per gallon of water (32:1) into a properly labeled spray bottle. Spray solution onto surface to be cleaned. Agitate with a rag or sponge to remove soils, then rinse with clean water.

Mop and Bucket Cleaning: Sweep floor area to be cleaned. Depending on soil level, dilute at 4 - 8 ounce per gallon of water (16 - 32:1) into mop bucket. Apply solution with a clean mop, then scrub as needed with mop or a deck brush to remove grease and soils. Allow several minutes contact time to allow detergent to penetrate and dissolve soils. Rinse with clean water to remove any chemical residue, using a mop, sponge or rag to absorb excess liquid.

Spot or Stain Removal: For spot removal or very heavy grease or soil accumulations, use at 16 - 32 oz. per gallon of water (4 - 16:1), or at full strength of needed.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Purple Liquid
Odor	Characteristic
pH (1% solution, 22°C)	<11.0
Foaming	High
Flash Point	NA
Bulk Density (lbs/gal, 22°C)	8.51 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

GC0441

Packaging

4x1 gal. case
