

HD DEGREASER

Heavy Duty Industrial Strength Cleaner-Degreaser

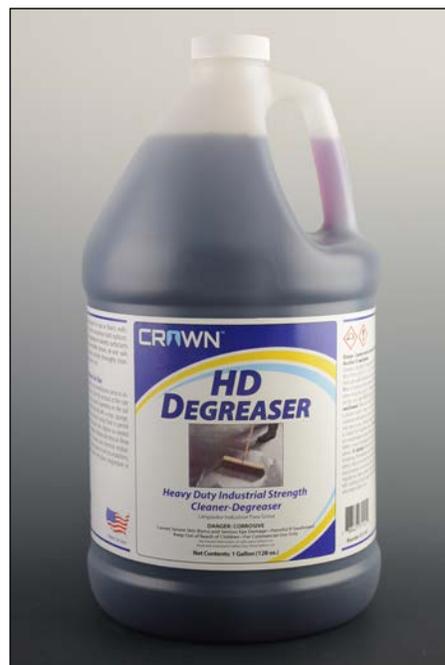

A high strength cleaner-degreaser for use on floors, walls, equipment, machinery and other non-porous hard surfaces. Fortified with a synergistic combination of solvents, surfactants and alkalis. Penetrates and emulsifies grease, oil and soils rapidly and completely. Leaves surfaces thoroughly clean. Highly dilutable and economical to use.

Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. Dilute at the rate of 2-8 ounces per gallon of hot water depending on the soil level. Apply solution to surface liberally with a mop, sponge or rag. Allow several minutes contact time to permit detergent to penetrate and dissolve soils. Agitate as needed to facilitate soil removal. Rinse completely with clean water to remove any chemical residue. For spot removal or very heavy grease or soil accumulations, use at full strength. Avoid contact with glass, magnesium or aluminum surfaces.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Purple Liquid
Odor	Sassafras
pH (1% solution, 22°C)	<11.5
Foaming	Moderate
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.58 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	Moderate
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

31141
31105
31155

Packaging

4x1 gal. case
5 gal. pail
55 gal. drum
