

## Technical Data Sheet

# JetSolve

## Heavy Duty Industrial Strength Cleaner-Degreaser

A versatile, foaming cleaner-degreaser for use on floors, walls, equipment, machinery and other non-porous hard surfaces. Contains a synergistic combination of solvents, surfactants and alkalis. Increased foaming capabilities increases contact time and cleaning capacity on vertical surfaces. Penetrates and emulsifies grease, oil and soils rapidly and completely. Leaves surfaces thoroughly clean. Highly dilutable and economical to use. Pleasant lingering fragrance.

### Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. This product should be diluted at the rate of 2-8 ounces per gallon of hot water depending on the soil level. Apply solution to surface liberally with a mop, sponge or rag. Allow several minutes contact time to permit detergent to penetrate and dissolve soils. Agitate as needed to facilitate soil removal. Rinse completely with clean water to remove any chemical residue. For spot removal or very heavy grease or soil accumulations, use at full strength. Avoid contact with glass, magnesium or aluminum surfaces.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from [www.crown-chem.com](http://www.crown-chem.com).

### Technical Specifications

Appearance	Purple Liquid
Odor	Sassafras
pH (1% solution, 22°C)	<11.5
Foaming	High
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.72 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na <sub>2</sub> O)	Moderate
Solubility (in H <sub>2</sub> O, 22°C)	100%
Phosphate Content (as P)	None

### Product Number

31241  
31205  
31255

### Packaging

4x1 gal. case  
5 gal. pail  
55 gal. drum
