

KEMSUDS™

pH Neutral Floor and Hard Surface Cleaner

A high active surfactant-based detergent for removing built-up dirt and grime from floors, countertops, walls, furniture and most other hard surfaces. Recommended where deep cleaning is needed without dulling or stripping finish, paint or varnish. Contains no harmful alkalis, solvents or acids. pH below 9.0 in solution. Suitable for use on wood floors, tables, chairs and other sealed wood surfaces. May be used with a mop and bucket, a floor scrubber or with manual cleaning applications. An ideal product for a variety of maintenance requirements. Fresh lemon scent.

Directions for Use

Mop and Bucket or Manual Cleaning: Dilute 2-4 ounces of per gallon of hot water. Apply solution with a mop, sponge or cloth, then allow several minutes contact time to penetrate soils. Rinse completely with clean water. Allow surfaces to dry before use. Do not overuse product, as dulling of surface may result.

Automatic Floor Scrubbers: Dilute 1-2 ounces of this product per gallon of hot water in the machine's solution tank. Scrub and rinse floor as recommended by machine manufacturer.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Pink Liquid
Odor	Lemon
pH (1% solution, 22°C)	<9.0
Foaming	High
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.41 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content	None
