KNOCK OUT™

Citrus Powered Foaming Degreaser

SPRAY, WIPE & RINSE

CITRUS FRESH SCENT

A premium foaming citrus spray and wipe cleaner which provides outstanding soil removal on hard surfaces. Formulated for demanding maintenance requirements in industrial and institutional applications. Clinging foam extends contact time on vertical surfaces and improves cleaning performance. Effective on walls, countertops, cabinetry, machinery, tires, metals, glass, plastic, vinyl, grills, vents and many other soiled and greasy areas. Dissolves and emulsifies heavy grease, soil and stains. Non-flammable and non-corrosive. Not recommended for wood, painted or varnished surfaces.

Directions for Use: Prior to use, remove loose debris and heavy, accumulated soil from area. Adjust spray nozzle to "on" position and choose the wide spray pattern for best coverage. Test in an inconspicuous area to assure compatibility with surface. Spray over surface, applying a clinging foam. Allow several minutes contact time to penetrate and dissolve soils. Agitate with a clean cloth, sponge or brush to improve soil removal. Rinse area with clean water to remove chemical and soil residue. Wipe up excess liquid and allow surfaces to air dry before use. Do not use on surfaces that come in direct contact with food.

TECHNICAL SPECIFICATIONS

Appearance	Orange Liquid
Odor	Citrus
pH (full strength)	>10.0
Foaming	High
Flash Point	None
Bulk Density (lbs/gal, 72°F)	8.40 ±.10
Stability Range	50 - 100°F
Free Alkalinity (as Na ₂ O)	Moderate
Solubility (in H ₂ O, 72°F)	100%
Phosphate Content (as P)	None

PRODUCT NUMBER

RC0261

PACKAGING

6x1 qt. case
