

# OXY BLEACH & SUDS™

## Powdered Laundry Detergent with Color Safe Bleach

Superior quality powdered laundry detergent combined with a color safe bleach. Ideal for use in most institutional and light industrial laundry applications. Formulated with superb grease and stain removers for terrific cleaning results. Utilizes a controlled oxygen release system to safely and effectively brighten fabrics. An ideal product for both white and colored cottons and linens. Fortified with water conditioners for great performance in hard water areas. Contains optical brighteners for enhanced fabric appearance. Suitable for residential use.

### Directions for Use

Use approximately ¼ cup (2 ounces) of this product per 35 lb. load in top loading machines. Increase the concentration to ½ cup (4 ounces) where extra brightening is required. Add to wash water at first stage and run machine 10-15 minutes. For best results, pretreat stains and spots, use softened water, and follow manufacturer's label directions carefully.

This product may be used as a presoak for badly stained white fabrics. To prepare a presoak solution, dilute 1-2 ounces per gallon of warm water (not hot). Soak for 15 minutes or longer, overnight if possible, then wash as usual.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.crown-chem.com](http://www.crown-chem.com).

### Technical Specifications

Appearance	White Powder
Odor	Lemon
pH (1% solution, 22°C)	<11.5
Foaming	High
Flash Point	N/A
Bulk Density (lbs/gal)	9.00 ±0.1
Stability Range	N/A
Free Alkalinity (as Na <sub>2</sub> O)	Moderate
Solubility (in H <sub>2</sub> O, 22°C)	100%
Phosphate Content (as P)	<2.0%
