PEROXIDE CLEANER CONCENTRATE

Multi-Purpose Peroxide Cleaner Degreaser-Deodorizer-Stain Remover

SAFER CHOICE
Meets U.S. EPA Safer Product Standards
epa.gov/saferchoice

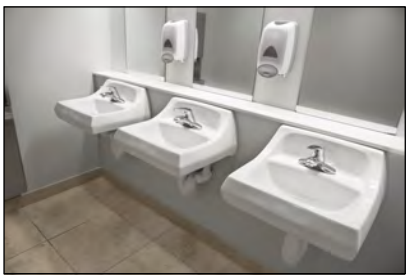
An outstanding product which performs a multitude of cleaning and degreasing functions. Fortified with surfactants and hydrogen peroxide for superb degreasing, stain removal and odor elimination. Penetrates and emulsifies grease and soil, oxidizes stains and provides color safe bleaching. Ideal for use on restroom surfaces including tile and grout, counterops, fixtures, dividers, shower walls and floors, glass and much more. Also excellent for removing stains from carpet, upholstery and most other types of fabric. Safer to use--contains no harsh alkalis or strong acids. Eliminates odors while cleaning. Formulated with biodegradable surfacants.

Directions for Use

General Surface Cleaning: For routine cleaning of bathroom or kitchen surfaces, dilute this product at 5-10 oz. per gallon of warm water. Apply to surface with a hand-held sprayer, mop, sponge or cloth. Allow several minutes contact time to penetrate soils, then rinse completely with clean water.
Carpet Extraction: Dilute 5-10 oz. per gallon of warm water. Using a pump-type sprayer, apply solution to carpet, especially heavily soiled traffic lanes. Let stand for 5-10 minutes, then clean and extract using a carpet extraction unit.
Fabric Stain Removal: To remove stains from carpet, upholstery and other fabrics. dilute 16 -64 oz. per gallon of warm water depending on the difficulty of stain to be removed. Blot with a clean cloth or use a carpet extraction unit to remove.
Spray and Wipe Cleaning: Dilute at 5 oz. per gallon of warm water. Spray solution onto surfaces to be cleaned, allow several minutes contact time to penetrate and remove soils, then wipe clean.
Glass Cleaning: Dilute 1 oz. per gallon of warm water. Spray onto glass surfaces, then clean and dry as usual using a clean cloth.
Deodorizing: To eliminate odors at their source, spray a 16-32 oz. solution of directly onto garbage, pet areas or other source of foul odors.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.



Technical Specifications

Appearance	Colorless Liquid
Odor	Characteristic
pH (1% solution, 22°C)	<8.0
Foaming	Moderate
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.68 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na_2O)	None
Solubility (in H_2O, 22°C)	100%
Phosphate Content	None

Product Number

GC0141

Packaging

4x1 gal. case

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as Crown Chemical, Inc. has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Crown Chemical, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Crown Chemical's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.
