

PINE CLEANSER

Multi-Purpose Cleaner-Deodorizer with Distilled Pine Oil

A versatile, high powered cleaner-degreaser fortified with pure distilled pine oil for enhanced soil penetration and deodorizing properties. Formulated for use on a variety of surfaces, including floors, walls, equipment, machinery and other non-porous hard surfaces. Contains a synergistic combination of solvents, surfactants and alkalis. Penetrates and emulsifies grease, oil and soils rapidly and completely. Leaves surfaces thoroughly clean and fresh smelling. Highly dilutable and economical to use.

Directions for Use

Prior to use, test this product in an inconspicuous area to assure compatibility with surface. Dilute at the rate of 2-12 ounces per gallon of hot water depending on the soil level. Apply solution to surface liberally with a mop, sponge or rag. Allow several minutes contact time to permit detergent to penetrate and dissolve soils. Agitate as needed to facilitate soil removal. Rinse completely with clean water to remove any chemical residue. For spot removal or very heavy grease or soil accumulations, use at full strength.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Brown Liquid
Odor	Pine
pH (1% solution, 22°C)	<11.5
Foaming	Moderate
Flash Point	None
Bulk Density (lbs/gal, 22°C)	8.48 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

31741
31705
31755

Packaging

4x1 gal. case
5 gal. pail
55 gal. drum
