

PREMIER™

All Purpose Powdered Lemon Laundry Detergent

All purpose powdered detergent for excellent results in residential, institutional and light industrial laundry applications. Contains an advanced blend of builders, surfactants, alkalis, antiredeposition agents and optical brighteners for optimum results in all water conditions and soil loads. Low sudsing. Fresh lemon fragrance.

Directions for Use

High efficiency machines: For normal applications, use ¼ to ½ cup per standard washload (up to 15 lbs.) for front or top loading household-type machines. Use of excessive detergent may cause poor rinsing and oversudsing.

Standard top loading machines: Use ½ cup per standard washload. For best results, pretreat stains with a quality stain remover. Heavily soiled fabric may require presoaking prior to washing. Follow manufacturer's directions on fabric for the best choice of water temperature and wash cycle. Whenever possible, use hot or warm water for washing to achieve the best results.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	White Powder
Odor	Lemon
pH (1% solution, 22°C)	<11.5
Foaming	Low
Flash Point	N/A
Bulk Density (lbs/gal, 22°C)	9.00 ±0.1
Stability Range	N/A
Free Alkalinity (as Na ₂ O)	Low
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

23950
23901
