Room Air Freshener and Malodor Counteractant

Lemon Fresh   **Linen Fresh**   **Cherry**   **Citrus Fresh**

A premium air freshener which counteracts objectionable odors in waste receptacles, restrooms, kitchens, restaurants, taverns, locker rooms, shower areas, kennels, pet areas, automotive interiors and more. Not a mask - actually attacks and chemically destroys the source of odors on contact. May be applied with spraying, atomizing or fogging equipment or as an additive in a mop bucket or carpet extraction unit. Leaves behind a pleasant, lingering odor.

Directions for Use

Restrooms, Kitchens, Restaurants, Taverns, etc.: Preclean areas to be deodorized to remove the soils that may harbor odor-causing bacteria. Use at full strength or dilute this product at 2-8 ounces per gallon of water depending on the strength of the odor encountered. Apply by spraying on areas where odors originate, including floors, walls, restroom fixtures, dividers, and so forth. For general air freshening, spray undiluted product into the air using the finest spray mist available. Allow to air dry. To prevent slippage, avoid overwetting floors

Waste Receptacles, Garbage Chutes, Dumpsters: Preclean accumulated soil from surfaces. Apply product at full strength using a hand-held or garden-type sprayer. Allow to air dry.

Mop Bucket, Carpet Extraction: As an additive for floor or carpet cleaning, dilute 2-4 ounces of this product per gallon of diluted cleaning solution.
