Heavy Duty Powdered Concrete Floor Cleaner

A high quality scrubbing detergent for cleaning greasy, oily buildup on concrete floors. Ideal for use in garages, transmission shops, oil change facilities, auto repair shops, factories, and many more applications. Offers excellent detergency against greasy soil buildup, tire marks, road grime, lubricants and much more. Dissolves quickly and completely. Orange powder turns green when wet. Fresh pine fragrance.

Directions for Use

Wet floor, then sprinkle this product onto area to be cleaned. Scrub vigorously with a stiff street broom or deck brush. Allow solution 5-10 minutes to penetrate and dissolve soils. Rinse completely with clean water. For mop and bucket applications, dilute 6-8 ounces per gallon of hot water.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Orange Powder
Odor	Pine
pH (1% solution, 22°C)	<11.5
