

SOLID LAUNDRY

Non-Phosphated Green Formula Oxy Laundry Detergent

This product is a green formulated laundry detergent that provides excellent cleaning performance while being environmentally friendly and safer to use. Fortified with activated oxygen bleach, enzymes, detergent polymers, brighteners and much more. Contains no phosphates, alkali hydroxides, NTA, EDTA, non-ylphenols or other toxic or environmentally unsafe ingredients. Effectively removes oily and particulate-based soils and stains from cotton, polyester, poly blends and many other fabrics. Works well in most water hardness conditions and soil levels. Activated oxygen assures improved cleaning even at lower temperatures, thereby reducing energy costs. Solid form minimizes contact. Fresh and clean fragrance.

Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert bottle on proper solid bowl dispenser. Consult your Representative for information on equipment setup, usage level and cleaning procedures. For best results, use with hot water.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	White Solid
Odor	Citrus Floral
pH (1% solution, 22°C)	<10.0
Foaming	High
Flash Point	NA
Bulk Density (lbs/gal, 22°C)	9.60 ±0.1
Stability Range	20-100°F
Free Alkalinity (as Na ₂ O)	Low
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

25146

Packaging

4x6 lb. case*

*Bottles have grip handles
