

SOLID PANMASTER™

Premium High Active Manual Pot & Pan Detergent

A premium detergent for manually washing pots, pans, dishware, cookware, glassware, flatware and other cooking utensils. Heavily fortified with a premium quality surfactant system for unsurpassed grease removal. Produces rich, long-lasting suds that stand up to difficult cleaning tasks. High detergency level assures sparkling clean results. pH balanced for exceptional mildness to the skin. Pleasant fragrance.

Directions for Use

This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert bottle on a solid bowl dispenser over manual washing sink. To maximize sudsing, dilute with warm water and agitate sink solution vigorously with hand. Wash as usual, rinse with clean water, sanitize and allow to air dry before storage or reuse. For baked on food deposits, allow ware to soak in hot water.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Pink Solid
Odor	Citrus Lemon
pH (1% solution, 22°C)	<8.0
Foaming	Very High
Flash Point	NA
