

# STELLAR™

## Premium Quality Stainless Steel Cleaner & Polish

This product is a premium quality stainless steel cleaner, polish and maintainer. Restores the natural beauty of stainless steel and similar metal surfaces. Removes finger marks, water spots, grease and oil stains and smudges. Leaves behind a residual protective film which resists re-soiling. Easy to use and very effective. Tasteless, colorless and odorless. Meets FDA standard for use on food contact surfaces and equipment.

### Directions for Use

Spray a small amount directly onto surface to be treated. Clean with a soft, non-abrasive cloth. Using a separate soft, non-abrasive cloth, polish in a circular motion to restore luster and impart a protective coating upon stainless. For smaller areas, spray product onto cleaning cloth instead of onto surface.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from [www.crown-chem.com](http://www.crown-chem.com).

### Technical Specifications

Appearance	Colorless Liquid
Odor	Characteristic
pH (full strength, 22°C)	NA
Foaming	None
Flash Point	None
Bulk Density (lbs/gal, 22°C)	7.09 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na <sub>2</sub> O)	None
Solubility (in H <sub>2</sub> O, 22°C)	Miscible
Phosphate Content	None

### Product Number

19406

### Packaging

6x1 qt. case\*

\*One sprayer included per case
