

SUPER BOWL

High Acid Emulsion Bowl Cleaner for Toilet Bowls and Urinals

A high strength bowl and urinal cleaner formulated to deliver outstanding performance in the most demanding applications. Immediately dissolves hard water stains, mineral deposits, lime scale, uric acid salts, and other difficult, inorganic soils. Contains a powerful blend of acids, surfactants and sequestering agents for quick, thorough cleaning. Excellent for high volume restrooms in taverns, truck stops, rest areas, service stations, stadiums, schools, health clubs, restaurants, etc. Pleasant wintergreen fragrance.

Directions for Use

Cleaning Toilet Bowls and Urinals: Wet toilet swab in water. Apply product liberally to interior of toilet or urinal, especially under the rim. Scrub surface vigorously to enhance removal of scale deposits. Flush when done to remove chemical and soil residue. For stains below the water line, remove water by forcing over trap with swab. Apply product and clean well, then flush. For use on toilets or urinals only. Do not use on bright metal plumbing fixtures (i.e., chrome, brass, etc.), stainless steel or other metal fixtures. Not recommended for use on sinks, tubs or other porcelain, enamel or plated surfaces. If unsure about product compatibility with surface, test in an inconspicuous area before use.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com

Technical Specifications

Appearance	Pink Liquid
Odor	Wintergreen
pH (full strength, 22°C)	<2.0
Foaming	Moderate
Flash Point	None
Density (lbs/gal, 22°C)	9.30 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

37112

Packaging

12x1 qt. case
