

ULTRAGREASE-OFF™

Emulsifying Detergent and Stain Remover

A super-concentrated emulsifying laundry detergent and grease stain remover for use in institutional and industrial laundry applications. Excellent for food and beverage linen. Fortified with a powerful blend of solvents and surfactants for superb removal of food stains, grease, oil, cutting fluids, cooking and food oils, lubricants and most other similar oily soils. Penetrates, dissolves and holds soils in suspension. Helps assure clean, stain-free laundry. Ideal for food and beverage linen, greasy rags, employee uniforms and many other challenging laundry applications. Designed for automatic injection systems. Safe on most laundry washable fabrics when used as directed. Also excellent for use as a prespotting or presoaking agent.

Directions for Use

Automatic Injection - The amount of this product to be used will vary according to the load size, soil type and amount, water conditions, and other factors. Your Service Representative will analyze these variables and set up dispensing equipment and usage concentration accordingly. In general, use 3 to 6 ounces of this product per 50 lbs. of load size where normal soil levels and water conditions are present.

When laundering delicate fabrics such as wool or silk, follow the manufacturer's label instructions.

Pre-Spotting - Apply this product at full strength to stain before washing. Agitate with a soft brush. Allow detergent several minutes to penetrate soils, then wash as usual.

Presoaking - To prepare a presoak solution, dilute 2-4 ounces of this product per gallon of warm water. Soak for 15 minutes or longer, overnight if possible. Wash as usual.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Blue Liquid
Odor	Citrus
pH (1% solution, 22°C)	NA
Foaming	Moderate
Flash Point	>140°F
Bulk Density (lbs/gal, 22°C)	7.83 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	Miscible
Phosphate Content (as P)	None
