

# WIPE OUT™

## Clinging Foam Spray Cleaner-Degreaser Fortified with Pine Oil

A premium foaming spray and wipe cleaner which provides outstanding performance on washable surfaces. Formulated for demanding maintenance requirements in industrial and institutional applications. Provides a clinging foam action when sprayed on surfaces which extends contact with soils and improves cleaning performance. Effective on most washable surfaces such as walls, countertops, cabinetry, machinery, tires, metals, glass, plastic, vinyl, rubber, grills, vents, etc. Dissolves and emulsifies heavy grease buildup, soot, smoke, carbon stains, creosote and many other soil types of soil. Leaves behind a thoroughly clean surface and a pleasant fragrance. Non-flammable and biodegradable.

### Directions for Use

For maximum clinging foam application, tighten spray nozzle for widest possible spray pattern. This product is ready-to-use and should not be diluted. Spray over surface to be cleaned. Allow several minutes contact time to penetrate and dissolve soils. Agitate with a clean cloth or sponge to improve soil removal. Rinse area with clean water to remove chemical and soil residue. NOTE: Use with care on painted surfaces. Prolonged contact may cause removal of paint. Pretest in an inconspicuous area beforehand to assure compatibility with surface.

### Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from [www.crown-chem.com](http://www.crown-chem.com)

### Technical Specifications

Appearance	Green Liquid
Odor	Pine
pH (full strength, 22°C)	<11.5
Foaming	High
Flash Point	None
Density (lbs/gal, 22°C)	8.30 ±0.1
Stability Range	40-100°F
Free Alkalinity (as Na <sub>2</sub> O)	<1.0%
Solubility (in H <sub>2</sub> O, 22°C)	100%
Phosphate Content (as P)	None

### Product Number

32012-P

### Packaging

12x1 qt. case\*

\*One sprayer included per case
